Comments:

*Tim was an amazing DJ. He helped us through the entire wedding planning process, ensuring we had planned for moments we hadn't even thought about. He had great song suggestions for every event during the night and was open about doing anything we wanted. His experience with what works and what doesn't was extremely helpful and without a doubt he was the key element in the huge success of our night. Tim did a great job of reading the crowd and choosing the type of songs that got every last person on their feet. We could not have been happier, and I'd highly recommend his services to everybody!*
