Comments:
Thanks so much, we all had a great time! Everyone keeps telling me that they wish the night would have gone on and on they were having so much fun. I think the music selection may have been somewhat our fault! There were times that the dance floor was empty, but I think that may have been during times where you were playing songs on my husband's playlist! Other then that, I just think the night was too short for all of the requests that were submitted.

Do you have any referrals we may contact?

Thank you for your valued input. We look forward to working for you or a referred event in the near future!
