Comments:

*We were thrilled with Tim's job at our wedding. Both Ali and I had something similar in mind for that day, and after meeting twice with Tim, he made sure everything turned out perfect. His attire, personality, announcements, lighting, and most importantly, the music he chose, was just right. We also greatly appreciated the time he spent with us a few weeks before the wedding to finalize certain music choices and plot out the reception. It helped us conceptualize that evening. Tim obviously has put a lot of thought and effort into his business, and it's no wonder why TAP is so highly recommended. We plan on using you guys for any other events that may arise in the future. And will definitely recommend TAP to any friends planning a wedding. Thanks*
