Comments:

In planning our wedding we met with three other DJs before meeting with Tim. It was a process to say the least - trying to find the person who will not take grandstand your event, will not bring the "cheese" factor, etc. One DJ had the nerve to tell me that it wasn't all about me. Hahaha - right!!! When we met with Tim he was professional and very organized. We were impressed. When we got down to pricing Tim was a little more money than we had wanted to spend. We walked away and said we would think about it. By the time we left the complex we had decided that it would be worth the extra money and we were right! We met with Tim a few more times before the big day. He helped us select music and was patient with me when I wasn't sure what I wanted (I am not a music person). He provided a template for the entire event, met with the other vendors to ensure everyone was in sync and the day of it was an impressive mix of music. The dance floor was packed for the entire event. He played a great mix that would bridge generations and keep everyone moving - exactly what we wanted. Thank you Tim for making our special day a success!!
