Comments:

Tim was one word, PERFECT. From the initial meetings, set up, lighting, dinner music and speeches to the insane dance party, Tim was amazing. He has a unique combination of being both professional and fun as well as being both accomodating and knowledgeable. He listened to exactly what I wanted while giving useful feedback to some of my ideas. I wanted a dance party and got exactly that. Guests as well as myself and husband did not leave the dance floor ONCE all nigh t! His creativity in mixing songs with a innate sense of what will keep the party going is priceless. My family and friends are still talking about the music and how fabulous Tim was. I would recommend him to any bride or for any party! Tim is an artist. We knew that we had some guest that would be on the dance floor all night, but we really wanted to include our guests of all ages and Tim was able to get the floor packed. That is all in the skill and talent of a great DJ and Tim was able to judge what was working and get the guests on the dance floor. He was able to stick to our original plan while incorporating the inevitable small changes that happen at every wedding.
