Comments:

Effren was amazing! He really knew how to read the audience! I was worried at first that no one would hit the dance floor...but once Effren got started, everyone was out there! The flow and transition of the music was perfect...kept the audience pumped and wanting more! We had such a good time...hence requesting the extra hour. Everyone is still asking where we found the DJ! And thank you Tim for the phone consultations and helping us to organize our music selections. Made it much easier for us! We have quite the eclectic taste! Thank you again!

Do you have any referrals we may contact? *Not right now, but will definitely recommend you guys!*

Thank you for your valued input. We look forward to working for you or a referred event in the near future!
